

QUALITY POLICY of IE "BEYIK YUPEK YOLY"

Individual Enterprise "Beyik Yupek Yoly" (hereinafter – the Company) started its activity in 2010 and is currently one of the leading companies of Turkmenistan in the field of transport logistics.

Since its foundation, the Company has accumulated rich experience working both with foreign companies and with domestic enterprises of all forms of ownership. In the process of carrying out its activities, the Company has proved its vision and introduced new rules of operation, having established itself as a reliable and conscientious partner.

Having a modern technical base and professional staff, the Company adheres to its strategic course aimed at creating competitive services and maximally fully satisfying the needs of customers.

Following this policy of the Company, the management and staff sets the main goal in the field of quality - to ensure and maintain consumer confidence in the IE "Beyik Yupek Yoly", as a national enterprise that provides a wide range of transport and logistics services.

The Quality Policy of the Company obliges each employee of the Company:

- meet all the necessary requirements set by the legislation, the consumer, the Company and the ISO 9001:2015 standard;
- take creative initiative, give suggestions and seek to eliminate any causes and circumstances that hinder the quality of work.

In order to achieve the set goals and objectives, the management of IE "Beyik Yupek Yoly" undertakes to:

- to meet all the requirements for the quality management system in accordance with the requirements of the standard ISO 9001: 2015;
- based on regular analysis of the organization's activities and customer feedback, ensure continuous improvement of the quality system through corrective and preventive actions;
- to support the initiatives of employees to achieve the foregoing terms and to provide the necessary resources.
